

Dual Degree

AA-DTA: Global Health Emphasis & AAS-T in Allied Health: Generalist

This sheet is designed as an advising tool for students wanting to complete both the AA-DTA degree with a Global Health Emphasis and the AAS-T in Allied Health: Generalist degree at the same time. It is to be used in conjunction with the AA-DTA: Global Health Emphasis degree planning worksheet and the AAS-T in Allied Health: Generalist degree curriculum worksheet.

This dual degree is a great pathway to the [Community Health & Education](#) and [Healthcare Services Management](#) Bachelor of Applied Science (BAS) in Allied Health programs. Please contact AlliedHealthBAS@seattlecolleges.edu for more information about the BAS program.

It is the student's responsibility to verify all degree requirements with an advisor. Information may change without notice. Please note that there are applications required for the AAS-T and BAS programs.

Type of Course	Specific Courses	Credits	Complete
<u>Basic Requirements</u> Composition I and Composition II	ENGL& 101 and ENGL& 102	10 credits	<input type="checkbox"/>

TOTAL		90	

Student Steps:

1. Complete the standard procedure for admission to the college and declare your intent to the college to be an AA-DTA student.
2. Advisors are available in the Advising Center to help you register and plan classes.
3. Earn the Care Navigation and Coordination certificate.
4. Apply to the AAS-T in Allied Health: Generalist program. <https://healthcare.seattlecentral.edu/programs/allied-health/get-started>
5. Submit the AA-DTA Application for Graduation and the AAS-T in Allied Health: Generalist Application for Graduation (available in Registration) one quarter prior to anticipated graduation date. <https://seattlecentral.edu/enrollment-and-funding/enrollment-and-admissions/registration/graduation/forms>
